STAT FROM:
Office of General Counsel

SUBJECT: Revision of Executive Order 12065,
"National Security Information"

Enclosed for your review is the final draft of the revision of Executive Order 12065. This draft will hopefully be finalized by the end of next week (21 August 1981), and provided to the National Security Council for eventual presentation to the President. Comments concerning this draft should be provided to me by telephone no later than Monday, 17 August 1981. Because this draft represents the fruits of months of negotiation between the members of the interagency group, comments should be limited to changes which are thought essential to the effective administration of the Order.
